

Bowls Surrey

Bowls Surrey is embarking on a new online match selection programme for 2019.

It will be accessed using an Internet browser (i.e. Firefox, Chrome, etc) and the system requires us to hold personal data (your name and email address).

We are required by the GDP Regulations to gain your consent to hold this information.

Below is a form asking if you wish to be added to the system. Please return to indicate Yes or No.

If Yes, you will be contacted and helped to Login and get set up. You will be able to apply/confirm availability for matches during the season.

This will apply to County and Presidents matches, so once you are set up you will be able, if eligible to apply for those matches.

We are encouraging as many members as possible to sign up in order that we may take Bowls Surrey forward in to the 21st Century,

Yours in bowling

Derek Harvey

County Secretary
