Festive Greetings everyone. Well my friends, this has certainly been a different year to the one we were expecting. So we can close the door on 2020, a year when our bowls have had a rest from their usual activity & we've re-connected with our gardens & the everyday tasks that usually we ignore whilst competing & immersing ourselves in outdoor club life. Sadly, we have had to say farewell to so many of our friends along the way & as we begin to recover from all the challenges that the past months have dealt us, we'll be thinking of what 2021 has in store for us. We do so hope that situation for everyone will have improved by the beginning of the season, so that we can enjoy & appreciate the efforts of our dedicated teams of green keepers on our bowling greens. Hoping to see you all in the sunshine & in the meantime, please keep well & safe. Penny Bruno Bowls Surrey
Chairperson & SCWBA IPP

Presidents Joe and Charlotte have had a different kind of Presidential year in 2020. It has not been quite what either of us were expecting. However we have kept working and along with both of our Association Committees we have achieved a lot. Sadly just not a lot of bowls. So roll on 2021. A chance for both of us (fingers crossed) to have the Presidential year that we have been looking forward to since taking on the roles of JVP at the AGMs in 2017. With the 2020 Celebration matches along with the 2021 ones, as well as the usual County fixtures we both have a lot of games to fit in next summer and hope that we will see as many of you as possible on or around the greens.

Merry Christmas Everyone and please have a Happy New Year - Joe & Charlotte
