2 May 2021

Dear Colleague,

Please find enclosed the draw for this year's Area Four Top 4 Competition. The rounds must be played by the dates stated. Please, therefore, do not play on the last day in case of bad weather. All challengers must within three days of the commencement of each round offer their opponents 3 dates, one of which must be a Saturday or Sunday morning. For those in the first round, the round commences on Sunday 16 May, but may be played earlier by mutual agreement.

All results must be advised immediately to the Area Secretary, telephone 01483 480709 or e-mail, [howard.quinnell@gmail.com](mailto:howard.quinnell@gmail.com) and the score card, signed by both skips, must follow in the post or scanned.

Please remember the four is limited to a maximum of one Surrey County Bowling Association badged player. The definition of a badged player is either a player who has a county badge or qualified the previous year to be awarded one.

As the entry is made by the club any four male players provided the above rule is observed may represent the club. However, where clubs enter more than one team, the players may only play in that one four.

The rules of the competition can be found on the SCBA Web Site. **PLEASE READ THIS PAGE.** The draw will also be on the SCBA web site.

This year's Semi final and Final and play-off for third and four place will be held on **Sunday** 22 August at WEST END BC. Our Area winner will complete in the County final on **Sunday** 12 September at Mid Surrey.

Please do not hesitate to contact me if you are unclear as to any aspect of this competition. Where I have sent this to the Club Secretary please pass onto your club contact for this competition.

Thank you for your entry. Most of the matches can be played after 21<sup>st</sup> June when hopefully the restrictions will have been lifted.

Yours sincerely,

Howard Quinnell, Area Secretary
