The Annual SCBA vs SCWBA game was played this month at Croydon BC. The Presidents teams play against each other and this game is always a lot of fun and usually starts off the season. Lots of playful heckling across the rinks is usually heard. This year however mainly we just heard laughter and the wind as it blew through the tree leaves. Brrrrr it was a cold day.

Umpires Corner Last Months Question

When is possession of the rink passed to your opponent?

Answer - After the bowl has come to rest, time being allowed for marking a toucher.

This months Question: What happens if each player delivers the jack incorrectly on the same end?

Congratulations to
Charlie Souter
